(Sunrise, FL. February 8, 2010) CPN Electronics today announced it has received a silver 2009 Boeing Performance Excellence award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. CPN Electronics maintained a minimum silver composite performance rating for each month of the twelve month performance period, from October 1, 2008 to September 30, 2009.

This year, Boeing recognized 486 suppliers who achieved either a gold or silver level Boeing Performance Excellence award. CPN Electronics is among 358 suppliers to receive the silver level of recognition.

Vinny Zarrella, president & owner of CPN Electronics commented:

“CPN is delighted to be included in this elite group of suppliers, it’s been difficult to maintain on-time delivery in these uncertain market conditions, however, since the implementation of ISO 9001 we have improved CPN’s systems company wide, which has enabled us to meet Boeing’s silver status. I would like to thank Boeing for their business and also the efforts of all CPN’ employees with their commitment to continuous improvement. Looking forward in 2010, we are committed to build on our success’s and provide all customer’s a superior level of service”. February 9, 2010
